

Shaun the Sheep CRAFT CORNER

MAKE A BALLOON SHAUN

YOU WILL NEED

- ★ A BLACK BALLOON
- ★ FACE PIECES
(printed onto paper or card)
- ★ GLUE / STICKY TAPE
- ★ BLACK PERMANENT MARKER
- ★ COTTON WOOL

STEP 1

Blow up a balloon and tie it in a knot.
This will be the head of your character.

STEP 2

Print the face templates onto card and
cut them out.

STEP 3

For the ears, fold the pieces in half so you have the same design front and back.
Fold out the tabs on either side and use these to stick the ears to your balloon
using sticky tape or glue.

Shaun the Sheep CRAFT CORNER

MAKE A BALLOON SHAUN

STEP 4

Use glue or sticky tape to stick the rest of the face pieces onto your balloon, and draw two nostrils with permanent marker. To make a top knot for Shaun, stick some cotton wool balls to the top of Shaun's head with glue.

STEP 5

Display your balloons by either tying them up with string, putting them on a stick, or balancing them on empty cups!
